MEET MARION

In June 2008, Pamela's Products newsletter introduced Marion, who travels across North America, offering demos and representing all the fast, easy and delicious baking mixes and decadent packaged cookies and at events.

"I bake cupcakes and travel!" Sounds like a dream job, doesn't it? Well, I'm here to tell you - IT IS!! During the past few months, as the new Community Relations Specialist for Pamela's Products, I've baked thousands of cupcakes. I've watched the expression of sheer ecstasy on the faces of those who visit my demo table savoring a true gourmet experience." - Marion
